No. 2:25-cv-00814-BJR

DECLARATION OF CHRISTOPHER
DISHLIP

I, CHRISTOPHER DISHLIP declare as follows:

1. I am over the age of 18 years, am competent to testify as to the matters in this declaration, and make it based on personal knowledge and my review of relevant records.

2. I am the Assistant Director of Public Works for the City of Santa Monica (“City”). I have been in this position since 2022. I am a member of the City’s Public Works Department’s leadership team. Before serving in this position, I was the City’s Capital Program Manager for three years and the Facilities Maintenance Manager for two years. In total, I have twenty-two years of municipal public works experience.

3. As the City’s Assistant Director of Public Works, I am charged helping to oversee essential services to the community that include water supply production, treatment, and collection; wastewater and storm water collection; and collection and proper management of

1 recoverable material resources including recycling of solid materials and household hazardous
2 materials. The Public Works Department also provides plan check and permit and inspection
3 services of public works infrastructure improvements within public right-of-way, as well as
4 engineering and architecture services, floodplain and urban water runoff management, and street
5 maintenance. In addition, the Department oversees the design and construction of City capital
6 projects including buildings, parks, streets, bridges, water and wastewater systems, and various
7 other public infrastructure improvements.
8

9 4. As the Assistant Director of Public Works, I help oversee the City's Pier Bridge
10 Replacement Project ("Project"). The Pier Bridge is a vital pedestrian link and the sole vehicular
11 route to one of Santa Monica's most prominent destinations, the Santa Monica Pier. In a typical
12 year, the Pier Bridge carries millions of visitors from Palisades Park to the Santa Monica Pier
13 and Santa Monica Beach. The reinforced concrete structure was built in 1939 and is owned by
14 the City. The primary purpose of the Project is to replace the 86-year-old bridge and to provide a
15 seismically sound and functional bridge for the residents, pier businesses, and visitors ahead of
16 the 2028 Olympic and Paralympic Games. The new bridge will be seismically sound, enhancing
17 safety and accessibility for residents, pier businesses, and visitors. In June 2023, the Santa
18 Monica City Council certified the Project's Environmental Impact Report EIR and approved the
19 preferred alternative bridge design.
20
21

22 5. The Project's design and construction will be primarily funded through the United
23 States Department of Transportation's Federal Highway Administration ("FHWA"), and on
24 information and belief, the Bridge Formula Program ("BFP"). The BFP provides dedicated
25 funding to states for the rehabilitation, preservation, and replacement of bridges. The California
26 Department of Transportation ("Caltrans") administers BFP funds at the state level through the
27

1 Highway Bridge Program (“HBP”), which applies to locally owned bridges that meet federal
2 eligibility criteria.

3 6. The City applied for and was awarded \$25.7 million in FHWA construction
4 funding for the Project, with the funding amount spread over the two-year Project schedule. The
5 City will receive these funds pursuant to an Administering Agency-State Agreement for Federal
6 Aid with CalTrans (“CalTrans Agreement”) dated February 2, 2007 which generally governs the
7 payment of federal funds by CalTrans to the City, and Program Supplements to the CalTrans
8 Agreement which specify the scope of work and amount of federal funds to be used for a
9 particular phase of the project. A true and correct copy of the CalTrans Agreement is attached
10 hereto as **Exhibit A**.

11
12 7. Article I, Paragraph 9 of the CalTrans Agreement requires the City (referred to as
13 “Administering Agency”) to “conform to . . . all federal laws, regulations, and policy and
14 procedural or instructional memoranda, unless otherwise specifically waived in the executed
15 project-specific PROGRAM SUPPLEMENT.” This covenant could be construed to generally
16 require the City to comply with all regulations, memoranda, and other conditions of the USDOT
17 and FHWA on the receipt of federal funds, including the FHWA General Terms and Conditions
18 as they are updated.

19
20 8. Historically, the Program Supplements to the CalTrans Agreement, which each
21 relate to a specific phase of a particular project, have been in substantially the same form and
22 include substantially the same “Special Covenants or Remarks” as one another. Attached hereto
23 as **Exhibit B** is a true and correct copy of a Program Supplement signed by the City and
24 CalTrans in April 2024 regarding payment of \$3,475,000 in federal funds for the engineering
25 design “PE Phase” of the Project, as an example of a typical Program Supplement. Section 2A of
26
27

1 the Special Covenants or Remarks includes the same covenant as is included in the CalTrans
2 Agreement that obligates the City to comply with all applicable federal laws, regulations and
3 policy and procedural or instructional memoranda.

4 9. Project design was recently completed and the Project is now in the procurement
5 stage. On April 4, 2025, Caltrans forwarded an E-76 Notice, approved by the FHWA, for the
6 City to proceed with project advertisement, contract award and construction. A true and correct
7 copy of the E-76 Notice is attached herein as **Exhibit C**. An E-76, also known as an
8 Authorization to Proceed, is a federal authorization of funds to establish the reimbursement date
9 for a phase of work. The April 4, 2025 E-76 provides a summary of approved federal funding for
10 this project, obligating \$5,268,000.00 for the "PE" phase and \$25,721,250.00 for the
11 construction phase of the project. Construction would be expected to begin in Fall of 2025 and
12 take between 18-24 months.

13 10. The City anticipates receiving a new Program Supplement related to the \$25.7
14 million authorized for the construction phase of the project in the coming days or weeks. Per
15 Article I, Paragraph 5 of the CalTrans Agreement, the City must sign a Program Supplement
16 within 90 days of receipt. I expect that Program Supplement to be in substantially the same form
17 as the April 2024 Program Supplement and to include the same Special Covenants or Remarks.

18 11. The City will face dire consequences if the Project's FHWA funding is withheld
19 or terminated. Regarding short term and long-term planning, there are no City allocated general
20 funds to pay for the Project. A loss of FHWA funding would force the City to consider using
21 local return funding, which would potentially defer or cancel other transportation-related
22 projects, including the Pier Bridge Replacement Project. Regarding impacts to the safety of the
23 bridge, the existing 86-year old bridge is seismically deficient and has an 8/100 structural rating.

1 The existing bridge is prone to earthquake liquefaction risks. Not proceeding with, or delaying,
2 the Project could make Pier tenants and visitors susceptible to an earthquake or other
3 catastrophic event, leaving the Pier in a vulnerable position and possibly inaccessible. The
4 existing bridge serves as the main entrance to the Santa Monica Pier.

5
6 12. Additionally, the loss of FHWA funding, and any subsequent effect on the
7 Project, will negatively impact numerous third parties involved in the construction process –
8 including but not limited to contractors, subcontractors, and labor groups. Project delays upend
9 project schedules and expose the City to increased costs due to the rise in material and labor
10 costs.

11
12 I declare under penalty of perjury that the foregoing is true and correct.

13
14 EXECUTED this 19th day of May, 2025.

MASTER AGREEMENT
ADMINISTERING AGENCY-STATE AGREEMENT FOR
FEDERAL-AID PROJECTS

07 City of Santa Monica

District Administering Agency

Agreement No. 07-5107R

This AGREEMENT, is entered into effective this 2nd day of FEBRUARY, 200~~0~~⁷, by and between the City of Santa Monica, hereinafter referred to as "ADMINISTERING AGENCY," and the State of California, acting by and through its Department of Transportation (Caltrans), hereinafter referred to as "STATE, and together referred to as "PARTIES" or individually as a "PARTY."

RECITALS:

1. WHEREAS, the Congress of the United States has enacted the Intermodal Surface Transportation Efficiency Act (ISTEA) of 1991 and subsequent Transportation Authorization Bills to fund transportation programs. These transportation programs include, but are not limited to, the Surface Transportation Program (STP), the Congestion Mitigation and Air Quality Improvement Program (CMAQ), the Transportation Enhancement Program (TE), Highway Safety Improvement Program (HSIP) and the Highway Bridge Program (HBP) (collectively the "PROGRAMS"); and
2. WHEREAS, the Legislature of the State of California has enacted legislation by which certain federal-aid funds may be made available for use on local transportation related projects of public entities qualified to act as recipients of these federal-aid funds in accordance with the intent of federal law; and
3. WHEREAS, before federal-funds will be made available for a specific program project, ADMINISTERING AGENCY and STATE are required to enter into an agreement to establish terms and conditions applicable to the ADMINISTERING AGENCY when receiving federal funds for a designated PROJECT facility and to the subsequent operation and maintenance of that completed facility.

NOW, THEREFORE, the PARTIES agree as follows:

ARTICLE I - PROJECT ADMINISTRATION

1. This AGREEMENT shall have no force or effect with respect to any program project unless and until a project-specific Program Supplement to this AGREEMENT for federal-aid projects, hereinafter referred to as "PROGRAM SUPPLEMENT", has been fully executed by both STATE and ADMINISTERING AGENCY.
2. The term "PROJECT", as used herein, means that authorized transportation related project and related activities financed in part with federal-aid funds as more fully-described in an "Authorization/ Agreement Summary" or "Amendment/Modification Summary", herein referred to as "E-76" or "E-76 (AMOD)" document authorized by STATE or the Federal Highway Administration (FHWA).
3. The E-76/E-76(AMOD) shall designate the party responsible for implementing PROJECT, type of work and location of PROJECT.
4. The PROGRAM SUPPLEMENT sets out special covenants as a condition for the ADMINISTERING AGENCY to receive federal-aid funds from/through STATE for designated PROJECT. The PROGRAM SUPPLEMENT shall also show these Federal Funds that have been initially encumbered for PROJECT along with the matching funds to be provided by ADMINISTERING AGENCY and/or others. Execution of PROGRAM SUPPLEMENT by the PARTIES shall cause ADMINISTERING AGENCY to adopt all of the terms of this AGREEMENT as though fully set forth therein in the PROGRAM SUPPLEMENT. Unless otherwise expressly delegated in a resolution by the governing body of ADMINISTERING AGENCY, and with written concurrence by STATE, the PROGRAM SUPPLEMENT shall be approved and managed by the governing body of ADMINISTERING AGENCY.
5. ADMINISTERING AGENCY agrees to execute and return each project-specific PROGRAM SUPPLEMENT within ninety (90) days of receipt. The PARTIES agree that STATE may suspend future authorizations/obligations and invoice payments for any on-going or future federal-aid project performed by ADMINISTERING AGENCY if any project-specific PROGRAM SUPPLEMENT is not returned within that ninety (90) day period unless otherwise agreed by STATE in writing.
6. ADMINISTERING AGENCY further agrees, as a condition to the release and payment of Federal Funds encumbered for the PROJECT described in each PROGRAM SUPPLEMENT, to comply with the terms and conditions of this AGREEMENT and all of the agreed-upon Special Covenants or Remarks incorporated within the PROGRAM SUPPLEMENT, and Cooperative/Contribution Agreement where appropriate, defining and identifying the nature of the specific PROJECT.
7. Federal, State and matching funds will not participate in PROJECT work performed in advance of the approval of the E-76 or E-76 (AMOD), unless otherwise stated in the executed project-specific PROGRAM SUPPLEMENT. ADMINISTERING AGENCY agrees that it will only proceed with the work authorized for that specific phase(s) on the project-specific E-76 or E-76 (AMOD). ADMINISTERING AGENCY further agrees to not proceed with future phases of PROJECT prior to receiving an E-76 (AMOD) from STATE for that phase(s) unless no Further Federal funds are

8. That PROJECT or portions thereof, must be included in a federally approved Federal Statewide Transportation Improvement Program (FSTIP) prior to ADMINISTERING AGENCY submitting the "Request for Authorization".

9. ADMINISTERING AGENCY shall conform to all State statutes, regulations and procedures (including those set forth in the Local Assistance Procedures Manual and the Local Assistance Program Guidelines, hereafter collectively referred to as "LOCAL ASSISTANCE PROCEDURES") relating to the federal-aid program, all Title 23 federal requirements, and all applicable federal laws, regulations, and policy and procedural or instructional memoranda, unless otherwise specifically waived as designated in the executed project-specific PROGRAM SUPPLEMENT.

10. If PROJECT is not on STATE-owned right of way, PROJECT shall be constructed in accordance with LOCAL ASSISTANCE PROCEDURES that describes minimum statewide design standards for local agency streets and roads. LOCAL ASSISTANCE PROCEDURES for projects off the National Highway System (NHS) allow STATE to accept either the STATE's minimum statewide design standards or the approved geometric design standards of ADMINISTERING AGENCY. Additionally, for projects off the NHS, STATE will accept ADMINISTERING AGENCY-approved standard specifications, standard plans, materials sampling and testing quality assurance programs that meet the conditions described in the then current LOCAL ASSISTANCE PROCEDURES.

11. If PROJECT involves work within or partially within STATE-owned right-of-way, that PROJECT shall also be subject to compliance with the policies, procedures and standards of the STATE Project Development Procedures Manual and Highway Design Manual and where appropriate, an executed cooperative agreement between STATE and ADMINISTERING AGENCY that outlines the PROJECT responsibilities and respective obligations of the PARTIES. ADMINISTERING AGENCY and its' contractors shall each obtain an encroachment permit through STATE prior to commencing any work within STATE rights of way or work which affects STATE facilities.

12. When PROJECT is not on the State Highway System but includes work to be performed by a railroad, the contract for such work shall be prepared by ADMINISTERING AGENCY or by STATE, as the PARTIES may hereafter agree. In either event, ADMINISTERING AGENCY shall enter into an agreement with the railroad providing for future maintenance of protective devices or other facilities installed under the contract.

13. If PROJECT is using STATE funds, the Department of General Services, Division of the State Architect, or its designee, shall review the contract PS&E for the construction of buildings, structures, sidewalks, curbs and related facilities for accessibility and usability. ADMINISTERING AGENCY shall not award a PROJECT construction contract for these types of improvements until the State Architect has issued written approval stating that the PROJECT plans and specifications comply with the provisions of sections 4450 and 4454 of the California Government Code, if applicable. Further requirements and guidance are provided in Title 24 of the California Code of Regulations.

14. ADMINISTERING AGENCY will advertise, award and administer PROJECT in accordance with the current LOCAL ASSISTANCE PROCEDURES unless otherwise stated in the executed

15. ADMINISTERING AGENCY shall provide or arrange for adequate supervision and inspection of each PROJECT. While consultants may perform supervision and inspection work for PROJECT with a fully qualified and licensed engineer, ADMINISTERING AGENCY shall provide a full-time employee to be in responsible charge of each PROJECT.

16. ADMINISTERING AGENCY shall submit PROJECT-specific contract award documents to STATE's District Local Assistance Engineer within sixty (60) days after contract award. A copy of the award documents shall also be included with the submittal of the first invoice for a construction contract by ADMINISTERING AGENCY to: Department of Transportation, Division of Accounting Local Programs Accounting Branch, MS #33, PO Box 942874, Sacramento, California 94274-0001.

17. ADMINISTERING AGENCY shall submit the final report documents that collectively constitute a "Report of Expenditures" within one hundred eighty (180) days of PROJECT completion. Failure by ADMINISTERING AGENCY to submit a "Report of Expenditures" within one hundred eighty(180) days of project completion will result in STATE imposing sanctions upon ADMINISTERING AGENCY in accordance with the current LOCAL ASSISTANCE PROCEDURES.

18. ADMINISTERING AGENCY shall comply with: (i) section 504 of the Rehabilitation Act of 1973 which prohibits discrimination on the basis of disability in federally assisted programs; (ii) the Americans with Disabilities Act (ADA) of 1990 which prohibits discrimination on the basis of disability irrespective of funding; and (iii) all applicable regulations and guidelines issued pursuant to both the Rehabilitation Act and the ADA.

19. The Congress of the United States, the Legislature of the State of California and the Governor of the State of California, each within their respective jurisdictions, have prescribed certain nondiscrimination requirements with respect to contract and other work financed with public funds. ADMINISTERING AGENCY agrees to comply with the requirements of the FAIR EMPLOYMENT PRACTICES ADDENDUM (Exhibit A attached hereto) and the NONDISCRIMINATION ASSURANCES (Exhibit B attached hereto). ADMINISTERING AGENCY further agrees that any agreement entered into by ADMINISTERING AGENCY with a third party for performance of PROJECT-related work shall incorporate Exhibits A and B (with third party's name replacing ADMINISTERING AGENCY) as essential parts of such agreement to be enforced by that third party as verified by ADMINISTERING AGENCY.

ARTICLE II - RIGHTS OF WAY

1. No contract for the construction of a federal-aid PROJECT shall be awarded until all necessary rights of way have been secured. Prior to the advertising for construction of PROJECT, ADMINISTERING AGENCY shall certify and, upon request, shall furnish STATE with evidence that all necessary rights of way are available for construction purposes or will be available by the time of award of the construction contract.
2. ADMINISTERING AGENCY agrees to indemnify and hold STATE harmless from any liability that may result in the event the right of way for a PROJECT, including, but not limited to, being clear as certified or if said right of way is found to contain hazardous materials requiring treatment or removal to remediate in accordance with Federal and State laws. The furnishing of right of way as provided for herein includes, in addition to all real property required for the PROJECT, title free and clear of obstructions and encumbrances affecting PROJECT and the payment, as required by applicable law, of relocation costs and damages to remainder real property not actually taken but injuriously affected by PROJECT. ADMINISTERING AGENCY shall pay, from its own non-matching funds, any costs which arise out of delays to the construction of PROJECT because utility facilities have not been timely removed or relocated, or because rights of way were not available to ADMINISTERING AGENCY for the orderly prosecution of PROJECT work.
3. Subject to STATE approval and such supervision as is required by LOCAL ASSISTANCE PROCEDURES over ADMINISTERING AGENCY's right of way acquisition procedures, ADMINISTERING AGENCY may claim reimbursement from Federal Funds for expenditures incurred in purchasing only the necessary rights of way needed for the PROJECT after crediting PROJECT with the fair market value of any excess property retained and not disposed of by ADMINISTERING AGENCY.
4. When real property rights are to be acquired by ADMINISTERING AGENCY for a PROJECT, said ADMINISTERING AGENCY must carry out that acquisition in compliance with all applicable State and Federal laws and regulations, in accordance with State procedures as published in State's current LOCAL ASSISTANCE PROCEDURES and STATE's Right-of-Way Manual, subject to STATE oversight to ensure that the completed work is acceptable under the Federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended.
5. Whether or not federal-aid is to be requested for right of way, should ADMINISTERING AGENCY, in acquiring right of way for PROJECT, displace an individual, family, business, farm operation, or non-profit organization, relocation payments and services will be provided as set forth in 49 CFR, Part 24. The public will be adequately informed of the relocation payments and services which will be available, and, to the greatest extent practicable, no person lawfully occupying real property shall be required to move from his/her dwelling or to move his/her business or farm operation without at least ninety (90) days written notice from ADMINISTERING AGENCY. ADMINISTERING AGENCY will provide STATE with specific assurances, on each portion of the PROJECT, that no person will be displaced until comparable decent, safe and sanitary replacement housing is available within a reasonable period of time prior to displacement, and that ADMINISTERING AGENCY's relocation program is realistic and adequate to provide

orderly, timely and efficient relocation of PROJECT- displaced persons as provided in 49 CFR, Part 24.

6. ADMINISTERING AGENCY shall, along with recording the deed or instrument evidencing title in the name of the ADMINISTERING AGENCY or their assignee, shall also record an Agreement Declaring Restrictive Covenants (ADRC) as a separate document incorporating the assurances included within Exhibits A and B and Appendices A, B, C and D of the AGREEMENT, as appropriate.

ARTICLE III - MAINTENANCE AND MANAGEMENT

1. ADMINISTERING AGENCY will maintain and operate the property acquired, developed, constructed, rehabilitated, or restored by PROJECT for its intended public use until such time as the parties might amend this AGREEMENT to otherwise provide. With the approval of STATE, ADMINISTERING AGENCY or its successors in interest in the PROJECT property may transfer this obligation and responsibility to maintain and operate PROJECT property for that intended public purpose to another public entity.
2. Upon ADMINISTERING AGENCY's acceptance of the completed federal-aid construction contract or upon contractor being relieved of the responsibility for maintaining and protecting PROJECT, ADMINISTERING AGENCY will be responsible for the maintenance, ownership, liability, and the expense thereof, for PROJECT in a manner satisfactory to the authorized representatives of STATE and FHWA and if PROJECT falls within the jurisdictional limits of another Agency or Agencies, it is the duty of ADMINISTERING AGENCY to facilitate a separate maintenance agreement(s) between itself and the other jurisdictional Agency or Agencies providing for the operation, maintenance, ownership and liability of PROJECT. Until those agreements are executed, ADMINISTERING AGENCY will be responsible for all PROJECT operations, maintenance, ownership and liability in a manner satisfactory to the authorized representatives of STATE and FHWA. If, within ninety (90) days after receipt of notice from STATE that a PROJECT, or any portion thereof, is not being properly operated and maintained and ADMINISTERING AGENCY has not satisfactorily remedied the conditions complained of, the approval of future federal-aid projects of ADMINISTERING AGENCY will be withheld until the PROJECT shall have been put in a condition of operation and maintenance satisfactory to STATE and FHWA. The provisions of this section shall not apply to a PROJECT that has been vacated through due process of law with STATE's concurrence.
3. PROJECT and its facilities shall be maintained by an adequate and well-trained staff of engineers and/or such other professionals and technicians as PROJECT reasonably requires. Said operations and maintenance staff may be employees of ADMINISTERING AGENCY, another unit of government, or a contractor under agreement with ADMINISTERING AGENCY. All maintenance will be performed at regular intervals or as required for efficient operation of the complete PROJECT improvements.

ARTICLE IV - FISCAL PROVISIONS

1. All contractual obligations of STATE are subject to the appropriation of resources by the Legislature and the allocation of resources by the California Transportation Commission (CTC).
2. STATE'S financial commitment of Federal Funds will occur only upon the execution of this AGREEMENT, the authorization of the project-specific E-76 or E-76 (AMOD), the execution of each project-specific PROGRAM SUPPLEMENT, and STATE's approved finance letter.
3. ADMINISTERING AGENCY may submit signed duplicate invoices in arrears for reimbursement of participating PROJECT costs on a monthly or quarterly progress basis once the project-specific PROGRAM SUPPLEMENT has been executed by STATE.
4. ADMINISTERING AGENCY agrees, as a minimum, to submit invoices at least once every six (6) months commencing after the funds are encumbered on either the project-specific PROGRAM SUPPLEMENT or through a project-specific finance letter approved by STATE. STATE reserves the right to suspend future authorizations/obligations, and invoice payments for any on-going or future federal-aid project by ADMINISTERING AGENCY if PROJECT costs have not been invoiced by ADMINISTERING AGENCY for a six (6) month period
5. Invoices shall be submitted on ADMINISTERING AGENCY letterhead that includes the address of ADMINISTERING AGENCY and shall be formatted in accordance with LOCAL ASSISTANCE PROCEDURES.
6. Invoices must have at least one copy of supporting backup documentation for costs incurred and claimed for reimbursement by ADMINISTERING AGENCY. Acceptable backup documentation includes, but is not limited to, agency's progress payment to the contractors, copies of cancelled checks showing amounts made payable to vendors and contractors, and/or a computerized summary of PROJECT costs.
7. Payments to ADMINISTERING AGENCY can only be released by STATE as reimbursement of actual allowable PROJECT costs already incurred and paid for by ADMINISTERING AGENCY.
8. An Indirect Cost Rate Proposal and Central Service Cost Allocation Plan and related documentation are to be provided to STATE (Caltrans Audits & Investigations) annually for review and approval prior to ADMINISTERING AGENCY seeking reimbursement of indirect cost incurred within each fiscal year being claimed for federal reimbursement.
9. Once PROJECT has been awarded, STATE reserves the right to de-obligate any excess Federal Funds from the construction phase of PROJECT if the contract award amount is less than the obligated amount, as shown on the PROJECT E-76 or E-76 (AMOD).
10. STATE will withhold the greater of either two (2) percent of the total of all Federal Funds encumbered for each PROGRAM SUPPLEMENT or \$40,000 until ADMINISTERING AGENCY submits the Final Report of Expenditures for each completed PROGRAM SUPPLEMENT PROJECT.

11. The estimated total cost of PROJECT, the amount of Federal Funds obligated, and the required matching funds may be adjusted by mutual consent of the PARTIES hereto with a finance letter, a detailed estimate, if required, and approved E-76 (AMOD). Federal-aid funding may be increased to cover PROJECT cost increases only if such funds are available and FHWA concurs with that increase.

12. When additional federal-aid funds are not available, ADMINISTERING AGENCY agrees that the payment of Federal Funds will be limited to the amounts authorized on the PROJECT specific E-76 / E-76 (AMOD) and agrees that any increases in PROJECT costs must be defrayed with ADMINISTERING AGENCY's own funds.

13. ADMINISTERING AGENCY shall use its own non-Federal Funds to finance the local share of eligible costs and all expenditures or contract items ruled ineligible for financing with Federal Funds. STATE shall make the determination of ADMINISTERING AGENCY's cost eligibility for federal fund financing of PROJECT costs.

14. ADMINISTERING AGENCY will reimburse STATE for STATE's share of costs for work performed by STATE at the request of ADMINISTERING AGENCY. STATE's costs shall include overhead assessments in accordance with section 8755.1 of the State Administrative Manual.

15. Federal and state funds allocated from the State Transportation Improvement Program (STIP) are subject to the timely use of funds provisions enacted by Senate Bill 45, approved in 1997, and subsequent STIP Guidelines and State procedures approved by the CTC and STATE.

16. Federal Funds encumbered for PROJECT are available for liquidation for a period of seven (7) years from the beginning of the State fiscal year the funds were appropriated in the State Budget. State funds encumbered for PROJECT are available for liquidation only for five (5) years from the beginning of the State fiscal year the funds were appropriated in the State Budget. Federal or state funds not liquidated within these periods will be reverted unless an Cooperative Work Agreement (CWA) is submitted by ADMINISTERING AGENCY and approved by the California Department of Finance (per Government Code section 16304). The exact date of fund reversion will be reflected in the STATE signed finance letter for PROJECT.

17. Payments to ADMINISTERING AGENCY for PROJECT-related travel and subsistence (per diem) expenses of ADMINISTERING AGENCY forces and its contractors and subcontractors claimed for reimbursement or as local match credit shall not exceed rates authorized to be paid rank and file STATE employees under current State Department of Personnel Administration (DPA) rules. If the rates invoiced by ADMINISTERING AGENCY are in excess of DPA rates, ADMINISTERING AGENCY is responsible for the cost difference, and any overpayments inadvertently paid by STATE shall be reimbursed to STATE by ADMINISTERING AGENCY on demand within thirty (30) days of such invoice.

18. ADMINISTERING AGENCY agrees to comply with Office of Management and Budget (OMB) Circular A-87, Cost Principles for State and Local Governments, and 49 CFR, Part 18, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments.

19. ADMINISTERING AGENCY agrees, and will assure that its contractors and subcontractors will be obligated to agree that (a) Contract Cost Principles and Procedures, 48 CFR, Federal Acquisition Regulations System, Chapter 1, Part 31, et seq., shall be used to determine the allowability of individual PROJECT cost items and (b) those parties shall comply with federal administrative procedures in accordance with 49 CFR, Part 18, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments. Every sub-recipient receiving PROJECT funds as a contractor or sub-contractor under this AGREEMENT shall comply with Federal administrative procedures in accordance with 49 CFR, Part 18, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments.

20. Any PROJECT costs for which ADMINISTERING AGENCY has received payment or credit that are determined by subsequent audit to be unallowable under OMB Circular A-87, 48 CFR, Chapter 1, Part 31 or 49 CFR, Part 18, are subject to repayment by ADMINISTERING AGENCY to STATE. Should ADMINISTERING AGENCY fail to reimburse moneys due STATE within thirty 30 days of demand, or within such other period as may be agreed in writing between the PARTIES hereto, STATE is authorized to intercept and withhold future payments due ADMINISTERING AGENCY from STATE or any third-party source, including but not limited to, the State Treasurer, the State Controller and the CTC.

21. Upon written demand by STATE, any overpayment to ADMINISTERING AGENCY of amounts invoiced to STATE shall be returned to STATE.

22. Should ADMINISTERING AGENCY fail to refund any moneys due STATE as provided hereunder or should ADMINISTERING AGENCY breach this AGREEMENT by failing to complete PROJECT without adequate justification and approval by STATE, then, within thirty 30 days of demand, or within such other period as may be agreed to in writing between the PARTIES, STATE, acting through the State Controller, the State Treasurer, or any other public entity or agency, may withhold or demand a transfer of an amount equal to the amount paid by or owed to STATE from future apportionments, or any other funds due ADMINISTERING AGENCY from the Highway Users Tax Fund or any other sources of funds, and/or may withhold approval of future ADMINISTERING AGENCY federal-aid projects.

23. Should ADMINISTERING AGENCY be declared to be in breach of this AGREEMENT or otherwise in default thereof by STATE, and if ADMINISTERING AGENCY is constituted as a joint powers authority, special district, or any other public entity not directly receiving funds through the State Controller, STATE is authorized to obtain reimbursement from whatever sources of funding are available, including the withholding or transfer of funds, pursuant to Article IV - 22, from those constituent entities comprising a joint powers authority or by bringing of an action against ADMINISTERING AGENCY or its constituent member entities, to recover all funds provided by STATE hereunder.

24. ADMINISTERING AGENCY acknowledges that the signatory party represents the ADMINISTERING AGENCY and further warrants that there is nothing within a Joint Powers Agreement, by which ADMINISTERING AGENCY was created, if any exists, that would restrict or otherwise limit STATE's ability to recover State funds improperly spent by ADMINISTERING AGENCY in contravention of the terms of this AGREEMENT.

ARTICLE V
AUDITS, THIRD PARTY CONTRACTING, RECORDS RETENTION AND REPORTS

1. STATE reserves the right to conduct technical and financial audits of PROJECT work and records when determined to be necessary or appropriate and ADMINISTERING AGENCY agrees, and shall require its contractors and subcontractors to agree, to cooperate with STATE by making all appropriate and relevant PROJECT records available for audit and copying as required by paragraph three (3) of ARTICLE V.
2. ADMINISTERING AGENCY, its contractors and subcontractors shall establish and maintain an accounting system and records that properly accumulate and segregate incurred PROJECT costs and matching funds by line item for the PROJECT. 11. Any dispute concerning a question of fact arising under this AGREEMENT that is not disposed of by agreement shall be decided by the STATE's Contract Officer who may consider any written or verbal evidence submitted by ADMINISTERING AGENCY. The decision of the Contract Officer, issued in writing, shall be conclusive and binding on the PARTIES on all questions of fact considered and determined by the Contract Officer.

12. Neither the pending of a dispute nor its consideration by the Contract Officer will excuse ADMINISTERING AGENCY from full and timely performance in accordance with the terms of this AGREEMENT.

13. Neither ADMINISTERING AGENCY nor any officer or employee thereof is responsible for any injury, damage or liability occurring by reason of anything done or omitted to be done by, under or in connection with any work, authority or jurisdiction arising under this AGREEMENT. Any such termination shall be accomplished by delivery to ADMINISTERING AGENCY of a Notice of Termination, which notice shall become effective not less than thirty (30) days after receipt, specifying the reason for the termination, the extent to which funding of work under this AGREEMENT is terminated and the date upon which such termination becomes effective, if beyond thirty (30) days after receipt. During the period before the effective termination date, ADMINISTERING AGENCY and STATE shall meet to attempt to resolve any dispute. 5. Remedies for Willful Violation:

(a) STATE may determine a willful violation of the Fair Employment provision to have occurred upon receipt of a final judgment to that effect from a court in an action to which ADMINISTERING AGENCY was a party, or upon receipt of a written notice from the Fair Employment and Housing Commission that it has investigated and determined that ADMINISTERING AGENCY has violated the Fair Employment Practices Act and had issued an order under Labor Code Section 1426 which has become final or has obtained an injunction under Labor Code Section 1429.

(b) For willful violation of this Fair Employment Provision, STATE shall have the right to terminate this Agreement either in whole or in part, and any loss or damage sustained by STATE in securing the goods or services thereunder shall be borne and paid for by ADMINISTERING AGENCY and by the surety under the performance bond, if any, and STATE may deduct from any moneys due or thereafter may become due to ADMINISTERING AGENCY, the difference between the price named in the Agreement and the actual cost thereof to STATE to cure ADMINISTERING AGENCY's breach of this Agreement.

EXHIBIT B

NONDISCRIMINATION ASSURANCES

ADMINISTERING AGENCY HEREBY AGREES THAT, as a condition to receiving any federal financial assistance from the STATE, acting for the U.S. Department of Transportation, it will comply with Title VI of the Civil Rights Act of 1964, 78 Stat. 252, 42 U.S.C. 2000d-42 U.S.C. 2000d-4 (hereinafter referred to as the ACT), and all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, "Nondiscrimination in Federally-Assisted Programs of the Department of Transportation - Effectuation of Title VI of the Civil Rights Act of 1964" (hereinafter referred to as the REGULATIONS), the Federal-aid Highway Act of 1973, and other pertinent directives, to the end that in accordance with the ACT, REGULATIONS, and other pertinent directives, no person in the United States shall, on the grounds of race, color, sex, national origin, religion, age or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which ADMINISTERING AGENCY receives federal financial assistance from the Federal Department of Transportation. ADMINISTERING AGENCY HEREBY GIVES ASSURANCE THAT ADMINISTERING AGENCY will promptly take any measures necessary to effectuate this agreement. This assurance is required by subsection 21.7(a) (1) of the REGULATIONS.

More specifically, and without limiting the above general assurance, ADMINISTERING AGENCY hereby gives the following specific assurances with respect to its federal-aid Program:

1. That ADMINISTERING AGENCY agrees that each "program" and each "facility" as defined in subsections 21.23 (e) and 21.23 (b) of the REGULATIONS, will be (with regard to a "program") conducted, or will be (with regard to a "facility") operated in compliance with all requirements imposed by, or pursuant to, the REGULATIONS.

2. That ADMINISTERING AGENCY shall insert the following notification in all solicitations for bids for work or material subject to the REGULATIONS made in connection with the federal-aid Program and, in adapted form, in all proposals for negotiated agreements:

ADMINISTERING AGENCY hereby notifies all bidders that it will affirmatively insure that in any agreement entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, sex, national origin, religion, age, or disability in consideration for an award.

3. That ADMINISTERING AGENCY shall insert the clauses of Appendix A of this assurance in every agreement subject to the ACT and the REGULATIONS.

4. That the clauses of Appendix B of this Assurance shall be included as a covenant running with the land, in any deed effecting a transfer of real property, structures, or improvements thereon, or interest therein.

5. That where ADMINISTERING AGENCY receives federal financial assistance to construct a facility, or part of a facility, the Assurance shall extend to the entire facility and facilities operated in connection therewith.

6. That where ADMINISTERING AGENCY receives federal financial assistance in the form, or for the acquisition, of real property or an interest in real property, the Assurance shall extend to rights to space on, over, or under such property.

7. That ADMINISTERING AGENCY shall include the appropriate clauses set forth in Appendix C and D of this Assurance, as a covenant running with the land, in any future deeds, leases, permits, licenses, and similar agreements entered into by the ADMINISTERING AGENCY with other parties:

Appendix C;

(a) for the subsequent transfer of real property acquired or improved under the federal-aid Program; and

Appendix D;

(b) for the construction or use of or access to space on, over, or under real property acquired, or improved under the federal-aid Program.

8. That this assurance obligates ADMINISTERING AGENCY for the period during which federal financial assistance is extended to the program, except where the federal financial assistance is to provide, or is in the form of, personal property or real property or interest therein, or structures, or improvements thereon, in which case the assurance obligates ADMINISTERING AGENCY or any transferee for the longer of the following periods:

(a) the period during which the property is used for a purpose for which the federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or

(b) the period during which ADMINISTERING AGENCY retains ownership or possession of the property.

9. That ADMINISTERING AGENCY shall provide for such methods of administration for the program as are found by the U.S. Secretary of Transportation, or the official to whom he delegates specific authority, to give reasonable guarantee that ADMINISTERING AGENCY, other recipients, sub-grantees, applicants, sub-applicants, transferees, successors in interest, and other participants of federal financial assistance under such program will comply with all requirements imposed by, or pursuant to, the ACT, the REGULATIONS, this Assurance and the Agreement.

10. That ADMINISTERING AGENCY agrees that the United States and the State of California have a right to seek judicial enforcement with regard to any matter arising under the ACT, the REGULATIONS, and this Assurance.

11. ADMINISTERING AGENCY shall not discriminate on the basis of race, religion, age, disability, color, national origin or sex in the award and performance of any STATE assisted contract or in the administration on its DBE Program or the requirements of 49 CFR Part 26. ADMINISTERING AGENCY shall take all necessary and reasonable steps under 49 CFR Part 26 to ensure non discrimination in the award and administration of STATE assisted contracts. ADMINISTERING AGENCY'S DBE Race-Neutral Implementation Agreement is incorporated by reference in this AGREEMENT. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the recipient of its failure to carry out its approved DBE Race-Neutral Implementation Agreement, STATE may impose sanctions as provided for under 49 CFR Part 26 and may, in appropriate cases, refer the matter for enforcement under 18 USC 1001 and/or the Program Fraud Civil Remedies Act of 1985 (31USC 3801 es seq.)

SPECIAL COVENANTS OR REMARKS

1.
 - A. The ADMINISTERING AGENCY will advertise, award and administer this project in accordance with the current published Local Assistance Procedures Manual.
 - B. ADMINISTERING AGENCY agrees that it will only proceed with work authorized for specific phase(s) with an "Authorization to Proceed" and will not proceed with future phase(s) of this project prior to receiving an "Authorization to Proceed" from the STATE for that phase(s) unless no further State or Federal funds are needed for those future phase(s).
 - C. STATE and ADMINISTERING AGENCY agree that any additional funds which might be made available by future Federal obligations will be encumbered on this PROJECT by use of a STATE-approved "Authorization to Proceed" and Finance Letter. ADMINISTERING AGENCY agrees that Federal funds available for reimbursement will be limited to the amounts obligated by the Federal Highway Administration.
 - D. Award information shall be submitted by the ADMINISTERING AGENCY to the District Local Assistance Engineer within 60 days of project contract award and prior to the submittal of the ADMINISTERING AGENCY'S first invoice for the construction contract.

Failure to do so will cause a delay in the State processing invoices for the construction phase. Attention is directed to Section 15.6 "Award Package" of the Local Assistance Procedures Manual.

E. ADMINISTERING AGENCY agrees, as a minimum, to submit invoices at least once every six months commencing after the funds are encumbered for each phase by the execution of this Project Program Supplement Agreement, or by STATE's approval of an applicable Finance Letter. STATE reserves the right to suspend future authorizations/obligations for Federal aid projects, or encumbrances for State funded projects, as well as to suspend invoice payments for any on-going or future project by ADMINISTERING AGENCY if PROJECT costs have not been invoiced by ADMINISTERING AGENCY for a six-month period.

If no costs have been invoiced for a six-month period, ADMINISTERING AGENCY agrees to submit for each phase a written explanation of the absence of PROJECT activity along with target billing date and target billing amount.

ADMINISTERING AGENCY agrees to submit the final report documents that collectively constitute a "Report of Expenditures" within one hundred eighty (180) days of PROJECT completion. Failure of ADMINISTERING AGENCY to submit a "Final Report of Expenditures" within 180 days of PROJECT completion will result in STATE imposing sanctions upon ADMINISTERING AGENCY in accordance with the current Local Assistance Procedures Manual.

SPECIAL COVENANTS OR REMARKS

F. Administering Agency shall not discriminate on the basis of race, religion, age, disability, color, national origin, or sex in the award and performance of any Federal-assisted contract or in the administration of its DBE Program Implementation Agreement. The Administering Agency shall take all necessary and reasonable steps under 49 CFR Part 26 to ensure nondiscrimination in the award and administration of Federal-assisted contracts. The Administering Agency's DBE Implementation Agreement is incorporated by reference in this Agreement. Implementation of the DBE Implementation Agreement, including but not limited to timely reporting of DBE commitments and utilization, is a legal obligation and failure to carry out its terms shall be treated as a violation of this Agreement. Upon notification to the Administering Agency of its failure to carry out its DBE Implementation Agreement, the State may impose sanctions as provided for under 49 CFR Part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 et seq.).

G. Any State and Federal funds that may have been encumbered for this project are available for disbursement for limited periods of time. For each fund encumbrance the limited period is from the start of the fiscal year that the specific fund was appropriated within the State Budget Act to the applicable fund Reversion Date shown on the State approved project finance letter. Per Government Code Section 16304, all project funds not liquidated within these periods will revert unless an executed Cooperative Work Agreement extending these dates is requested by the ADMINISTERING AGENCY and approved by the California Department of Finance.

ADMINISTERING AGENCY should ensure that invoices are submitted to the District Local Assistance Engineer at least 75 days prior to the applicable fund Reversion Date to avoid the lapse of applicable funds. Pursuant to a directive from the State Controller's Office and the Department of Finance; in order for payment to be made, the last date the District Local Assistance Engineer can forward an invoice for payment to the Department's Local Programs Accounting Office for reimbursable work for funds that are going to revert at the end of a particular fiscal year is May 15th of the particular fiscal year. Notwithstanding the unliquidated sums of project specific State and Federal funding remaining and available to fund project work, any invoice for reimbursement involving applicable funds that is not received by the Department's Local Programs Accounting Office at least 45 days prior to the applicable fixed fund Reversion Date will not be paid. These unexpended funds will be irrevocably reverted by the Department's Division of Accounting on the applicable fund Reversion Date.

H. As a condition for receiving federal-aid highway funds for the PROJECT, the Administering Agency certifies that NO members of the elected board, council, or other key decision makers are on the Federal Government Exclusion List. Exclusions can be found at www.sam.gov.
